Technical drawings of two mechanical components, labeled 1 and 2, showing front and top views with dimensions.

Component 1:

- Front View (Left):** A rectangular plate with a central raised section and four circular holes (two on each side).
- Top View (Right):** A circular base with a central hole of diameter $\phi 35$. Four mounting holes are located at the corners. Dimensions: total width 64, total height 30, distance from center to mounting holes 32, and distance from top edge to mounting holes 12.

Component 2:

- Front View (Left):** A rectangular plate with a central raised section and four circular holes (two on each side).
- Top View (Right):** A circular base with a central hole of diameter $\phi 40$. Four mounting holes are located at the corners. Dimensions: total width 64, total height 24, distance from center to mounting holes 48, and distance from top edge to mounting holes 16.

Üçlerde değişiklik yapma hakkı saklıdır. Reserves the right to the change of the dimensions.
